About Rooftop ReP

Brooklyn native son, better known as **ReP** (also known as **Rooftop ReP**), is a charting hip hop/alternative artist who offers his brand of inspiration for the big dreamer in all of us—raised between the Crown Heights and Flatbush parts of Brooklyn. ReP navigated its harsh realities from an early age, staying grounded through his family's roots from the Caribbean country of Trinidad and Tobago. Inspired by alternative hip-hop acts like **Outkast** and **A Tribe Called Quest**, ReP's poetic ability and cadence have captivated many, including notable names in music, labeling him as an **MTV Artist To Watch**. Rep has received attention from the likes of Grammy-winning producer **Devo Springsteen** as well as **Damon Dash**. Dame Dash, who took a liking to ReP's music, made a rare cameo in the video for ReP's single '[Swagger Mars](#),' a track also hand-selected by Pro-skater **Tony Hawk** for use on his [Ride Channel](#). ReP's music was also recently featured in the short film "Crossroads," world premiering at **Cannes Film Festival** in 2016. ReP is redefining hip-hop and taking his sound worldwide with his **Stadium Status Entertainment Group Inc** and **TEAMREP** brand.
