

Sayed A. Yossef, MD, FACG, a Gastroenterologist with Southwoods Health

Get to know Gastroenterologist Dr. Sayed A. Yossef, who serves patients in Poland, Ohio.

New York City, New York Mar 31, 2022 ([Issuewire.com](http://www.Issuewire.com)) - A competent gastroenterologist, Dr.

Yossef is affiliated with Southwoods Health, serving patients in Poland, Ohio, and St. Elizabeth Mercy Health, Boardman campus. His areas of clinical interest include advanced endoscopy, GI cancer, celiac disease, inflammatory bowel disease, colorectal cancer screening/colonoscopy, general gastroenterology, functional bowel disorders, pancreas diseases, diseases of the esophagus, heartburn, GI bleeding, biliary tree disease, and hepatology.

The mission at Southwoods Health is to provide services unparalleled in quality and efficiency while cultivating an environment that emphasizes the individual needs of each of its patients. They understand patients have a choice when it comes to their healthcare, so they combined the most advanced technology, with comprehensive, quality care and the finest patient experience this area has to offer to make that choice easier.

A native of Egypt, Dr. Yossef earned his Bachelor of Science degree at the Ain Shams University and graduated with his medical degree from the Ain Shams University Faculty of Medicine. Upon relocating to the United States, he completed his residency in internal medicine and his fellowship in gastroenterology at the West Penn Hospital.

Distinguished as a Fellow of the American College of Gastroenterology (FACG), the doctor is board-certified in gastroenterology and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Gastroenterology is the branch of medicine focused on the digestive system and its disorders. A gastroenterologist is a physician who has extensive training in the diagnosis and treatment of disorders related to the esophagus, stomach, small intestines, colon, liver, pancreas, and biliary system.

Among his most notable achievements, Dr. Yossef has been the recipient of the Compassionate Doctor Recognition (2018, 2016), Patients' Choice Award (2018), and On-Time Doctor Award (2018).
