Get to know Pediatrician Dr. Stacey J.P. Memberg, who serves patients in Medina, Ohio.

New York City, New York Mar 3, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Memberg is a skilled pediatrician with UH Rainbow Medina Pediatrics in Medina, Ohio, and is a member of the Rainbow Care Network, the region's largest coordinated group of medical professionals providing care to children.

At UH Rainbow Medina Pediatrics, their goal is to provide pediatric patients with the highest quality of

care. Their affiliation with University Hospitals Rainbow Babies & Children's Hospital allows them to ensure that infants, children, and adolescents receive the expert, specialized treatment they deserve. They are dedicated to advancing children's health and well-being and educating the patients and families they serve.

With a broad educational background, Dr. Memberg graduated Phi Beta Kappa and Phi Kappa Phi from the University of Massachusetts with a Bachelor of Science degree in Biochemistry. She then went on to earn her Doctor of Philosophy degree (Ph.D.) in Neuroscience and her medical degree from the Case Western Reserve University School of Medicine. Finally, she completed her residency in pediatrics at the University Hospitals Rainbow Babies & Children's Hospital.

Recognized as a Fellow of the American Academy of Pediatrics (FAAP), the doctor is board-certified in pediatrics by the American Board of Pediatrics (ABP). The mission of the ABP is to advance child health by certifying pediatricians who meet standards of excellence and are committed to continuous learning and improvement.

In her professional experience, she has admitting privileges at University Hospitals Rainbow Babies & Children's Hospital and St. John Medical Center, a UH partner hospital in Westlake, Ohio.

As for her academic appointments, Dr. Memberg serves as a Clinical Instructor of Pediatrics at the Case Western Reserve University School of Medicine.

Pediatrics is the branch of medicine that involves the medical care of infants, children, and adolescents. The American Academy of Pediatrics recommends individuals be under pediatric care up to the age of 21. Pediatricians provide medical care to people ranging in age from newborns to young adults. They are trained to examine, diagnose, and treat children with a wide variety of injuries and illnesses through all of their developmental stages, as they grow and mature.

Among her various accolades, Dr. Memberg has been the recipient of the Top Doctor Award by Cleveland Magazine (2015-2017), and the Top Doctor Award by Akron Life Magazine (2021).
