### StyleAsh's Summer Collection

**Delhi, India Mar 21, 2022 ([Issuewire.com](https://www.issuewire.com))** - StyleAsh launches its Summer'22 collection, which would want you to book a vacation right away!

The [summer collection](#) is everything bright & vibrant. The soul of 90s fashion, the explosion of prints and colours, and the youth vibe are the essence of this collection.

Launched in 2018, StyleAsh is an Indian e-commerce fashion brand focused on petite clothing. Designed for women 5'3" and under, StyleAsh's outfits are made to fit and flatter your frame in all the right places.

"Style never sleeps and neither do we – we're 24/7, dropping new styles to make fashion accessible and affordable," says the co-founder of the company.

StyleAsh is an online store started by a group of chartered accountants, passionate about fashion. One of the few Indian brands offering petite fashion, StyleAsh has got all the styles you could ever need and wear again and again.

From date-night dresses to corporate wear, StyleAsh claims to never let you down when it comes to fashion.
