

Tod J. Fusia, MD, FACS, a Urologist with Florida Urology Partners, LLP

Get to know Urologist Dr. Tod J. Fusia, who serves patients in Tampa, Florida.

New York City, New York Mar 7, 2022 ([Issuewire.com](https://www.issuewire.com)) - A board-certified urologist, Dr. Fusia is in practice at Florida Urology Partners, LLP, serving the Tampa Bay area for over 12 years. He specializes in robotic surgery, urinary control (incontinence), kidney stone disease, male infertility, and urologic oncology.

Florida Urology Partners, LLP is proud to be among the largest urology groups in the state of Florida, with 19 locations in and surrounding Tampa, Florida. It is made up of 24 exceptionally trained, specialized, and highly recognized physicians. The medical group also has more than 100 patient-focused employees. Their objective is to consistently provide an excellent patient experience.

Educated in the United States, Dr. Fusia received his undergraduate degree from Allegheny College, and earned his medical degree from Jefferson Medical College. He served his residency in urology at the University of Virginia Health Sciences Center.

Recognized as a Fellow of the American College of Surgeons (FACS), the doctor is a Diplomate of the American Board of Urology (ABU). The mission of the ABU is to act for the benefit of the public by establishing and maintaining standards of certification for urologists, and working with certified urologists to achieve lifelong learning to ensure the delivery of high quality, safe, and ethical urologic care.

Among his professional affiliations, he maintains hospital privileges at St. Joseph's Main Hospital, St. Joseph's North Hospital, St. Joseph's Women's Hospital, Memorial Hospital of Tampa, Tampa General Hospital, Town and Country Hospital, Florida Hospital Carrollwood, and Florida Hospital Wesley Chapel. In the past, he served as the Chief of Urology at the Keesler Air Force Base.

As for his academic appointments, Dr. Fusia is currently an Assistant Clinical Professor of Urology at the University of South Florida College of Medicine.

Urology, also known as genitourinary surgery, is the branch of medicine that focuses on surgical and medical diseases of the male and female urinary-tract system and the male reproductive organs. Urologists specialize in diseases of the urinary tract and the male reproductive system. Patients may be referred to a urologist if their physician suspects they may need treatment for a condition relating to the bladder, prostate, urethra, ureters, kidneys, and adrenal glands.

Among his various accolades, Dr. Fusia has been the recipient of the Compassionate Doctor Recognition (2015, 2013), and the Patients' Choice Award (2014, 2013, 2008).
