New Zealand Electronic Travel Authorization (NZeTA) has been launched by the Government of New Zealand and the Immigration Agency in July 2019. This authorization allows the citizens of different countries to visit New Zealand through both, Airline and Cruise Line. There is an online application form available on the official website that allows applying for New Zealand Online Visa. The eTA allows you to stay for 6 months on a single stretch and comes with the benefits of multiple entries.

New Zealand Visa has a 24X365 active website and the applicants fill-up the form at any time. It is only a 2-minute job to fill up the basic documentation process. The simplified application form is convenient, quick, and easy for everyone. Considering the global travelers, the platform is compatible with 130 currencies along with the China Union Pay card.
