

Victoria A. Stein, Psy.D, Psychologist

Get to know Psychologist Dr. Victoria A. Stein, who serves the population of Florida.

New York City, New York Mar 21, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Victoria Stein is a mental health professional with highly specialized training in the diagnosis and psychological treatment of mental, behavioral, and emotional illnesses, including obsessive-compulsive disorder (OCD). Her main focus is on diagnosing and treating mental, emotional, and behavioral disorders. Some of the common disorders that she can treat are learning disabilities, substance abuse, depression, anxiety, and eating disorders.

In regards to her education, Dr. Stein holds a Doctor of Psychology. The Doctor of Psychology is a professional doctoral degree intended to prepare graduates for careers that apply scientific knowledge of psychology and deliver empirically-based service to individuals, groups, and organizations.

A psychologist is an individual who is licensed to practice psychology which is defined as the observation, description, evaluation, interpretation, and modification of human behavior by the application of psychological principles, methods, and procedures, for the purpose of preventing or eliminating symptomatic, maladaptive, or undesired behavior and of enhancing interpersonal relationships, work and life adjustment, personal effectiveness, behavioral health, and mental health. The practice of psychology includes, but is not limited to, psychological testing and the evaluation or assessment of personal characteristics, such as intelligence, personality, abilities, interests, aptitudes, and neuropsychological functioning; counseling, psychoanalysis, psychotherapy, hypnosis, biofeedback, and behavior analysis and therapy; diagnosis and treatment of a mental and emotional disorder or disability, alcoholism and substance abuse, disorders of habit or conduct, as well as of the psychological aspects of physical illness, accident, injury, or disability; and psychoeducational evaluation, therapy, remediation, and consultation. Psychological services may be rendered to individuals, families, groups, and the public.
