VMS Shipping is a well-known name as the leading provider of ship management services and the best sponsorship company in India. VMS Shipping, with its highly effective services, has emerged as the leader in the maritime industry.

Navi Mumbai, Maharashtra Mar 29, 2022 ([Issuewire.com](https://www.issuewire.com)) - VMS Shipping is known in the maritime industry as the leading service and solution provider of ship management services and the best sponsorship company. VMS Shipping was started in the year 2015 by the high experience expert in this

field, Vikesh Upadhyay, to provide all the shipping solutions to the ship owners and company, along with providing **sponsorship exams for DNS, GP, etc.**, and coaching to help the individual make a career for themselves in the maritime industry. VMS Shipping is also known for its highly result-oriented IMU-CET coaching that has led to students getting admission to the country's best maritime institutes and thus getting good-paying jobs in the maritime sector. VMS Shipping follows strong ethics and a customer-first approach, thereby making them the most preferred choice in the market.

VMS Shipping aims to bring the much-needed appreciation and recognition to the maritime industry that it truly deserves. VMS Shipping aims to take the shipping industry to great heights. To achieve this goal, the VMS shipping team works tirelessly to provide the best-in-class shipping services and solutions to its clients. VMS Shipping takes effort and invests its time in understanding its clients' needs so that they can deliver exactly what they are customers are looking for. This is what makes VMS Shipping the best in the market and thereby gives them an edge over their competitors.

VMS Shipping provides a wide range of services to the ship owners and company, such as ship management, which includes all the aspects of running and managing a vessel, ship maintenance, and repairs to ensure proper support to the vessel. Port agencies handle all the port-related activities from pre-arrival to post-arrival, ship brokering and chartering that enables country-wide broking services, crew management ensures employment of experienced mariners, and ship chandelling ensures supply of quality shipping supply. Thus VMS Shipping is indeed the right platform to meet all the shipping needs from start to end.

VMS Shipping, apart from being the best choice for shipping solutions and service providers, has also helped a large number of people to make a successful career in the maritime industry. VMS Shipping is one of the most trusted platforms for various sponsorship exams and coaching as it provides its students with the best training facility and thus helps them in excelling in their required field. VMS Shipping very well understands the importance of timely completion of onboarding training and thus, keeping this in mind, the student can join VMS Shipping without any waiting period. Through the sponsorship courses provided at VMS Shipping, the student can indeed get a well-paying job in the maritime industry.

Sponsorship helps the students to achieve their dream of working in the maritime industry, but not many are aware of it. Sponsorship implies that the student will receive the assurance letter from the Sponsorship Company stating that after completion of its required courses, the student will work on the company's board and thereby avail of the required experience. This will help to get all the knowledge and experience needed for serving in the maritime industry and thus will give a boost to one career.

To avail of the sponsorship, it is important to know about all the requirements and eligibility criteria that vary from one course to another. The first and foremost step to avail of the sponsorship is to be clear about the course one is applying for as the procedure for sponsorship programs may vary. As sponsorship is very integral, it is important to rely on the right companies, such as VMS Shipping, as there have been instances of fake company that has looted a large number of students. Thus it is important to be aware of the best sponsorship companies, which are none other than VMS Shipping.

VMS Shipping offers sponsorship in different courses to meritorious students to help them achieve their dream of working in the maritime industry. At VMS Shipping, a fair process of granting sponsorship is followed as every student has to appear for the sponsorship test. To ensure that VMS Shipping chooses only the deserving candidates, a five-step process is followed for the selection of students.

The first and foremost step that students need to undertake for sponsorship is to fill out the online

application form at the VMS Shipping platform. The students must enter all the details properly so that there is no issue afterward. The second step is going through the aptitude and psychometric test and the students who pass through this will move to the next stage of the selection process, which is a personal interview. After clearing of personal interview, the selected students will undergo the medical test, and the students that fit all the medical requirements are finally selected for the sponsorship as per their respective courses. VMS Shipping also helps in education loan support through the nationalized banks. Thus one must choose VMS Shipping for the [merchant navy DNS sponsorship](#).
