Asheville, North Carolina Mar 24, 2022 ([IssueWire.com](https://www.issuewire.com)) - Worst to First! is a must-read for any educator! It has simple strategies that any school leader can use to create a culture where morale and academic improvement are high! It teaches common sense approaches to school transformation! This book is designed to be able to read in a short amount of time. This book is not going to have a lot of the educational buzzwords that you hear thrown around so much. This book is written in simple concepts, that you can easily understand and immediately begin to apply. If you had to boil this book down to a few things, it is very simple. Treat staff, students, and the community like you would want to be treated, outwork everyone else and have high expectations! This school went from almost last in every growth category measured to first in every category in just two years!
