

Young Rap Artist GenoDaWave has Recently Come Up with Massive Hit 'Private'

The exemplary musical sense integrated with extraordinary rap verses makes the new track “Private” from hip-hop artist GenoDaWave one to cherish and admire.

Jackson, Mar 9, 2022 ([Issuewire.com](https://www.issuewire.com)) - Manifesting every beat with fluent rapping and powerful music, the latest release “[Private](#)” from American rap artist [GenoDaWave](#) has attracted global attention to the brand new track. The artist has collaborated with Canadian sensation Tory Lanez for coming up with such a compelling track. The intrepid lyrics with a sensible approach set out a modern and definite tone from the artist in the track. The track has been breaking several records held by the artist earlier as it has already crossed the 200k play mark on Spotify. OTA Records is the record label that the artist is presently associated with.

The young and upcoming artist from Jackson, Mississippi is already carrying a huge number of monthly active listeners on Spotify. The artist is inspired by the likes of Lauren Hill, Young Thug, Lil

Wayne, and Gucci Mane. The artist decided to pursue his musical career in the year 2020. The artist since then has come up with several renowned singles, namely 'It's Serious', 'Head Shots', and 'What You Mean'.

The inevitable talent and the professional approach from **GenoDaWave** are set to leave their mark in the future as the new track goes on to show the artist's temperament and avidity. Understanding the flow of music in a track can be a hurdle for many artists but this artist has proven to be exceptional with the execution of his new song "**Private**". The song can be streamed online on Spotify. More about the artist can be found on [Instagram](#), [Facebook](#), [Twitter](#), and bigyu@inavator.com.
