Get to know Periodontist Dr. Amandeep Kaur, who serves patients in Massapequa, New York.

New York City, New York Apr 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - An exceptional periodontist, Dr. Kaur serves patients at her private practice - Dental Implants & Periodontology of Massapequa - which she opened in 2014. She is committed to her profession and is known by her patients for her kind and gentle manner.

Dental Implants & Periodontology of Massapequa provides patients with the highest quality dental care. Their dental office uses the latest state-of-the-art equipment and cutting-edge technology and they uphold the strictest sterilization techniques. Their mission is to educate their patients about all of their oral health care options and to help guide them to choose a treatment plan that is most suitable and appropriate for their needs.

In regards to her educational background, Dr. Kaur earned her Doctor of Dental Surgery degree from the New York University College of Dentistry in 2004 and was elected to the Omicron Kappa Upsilon National Dental Honor Society. She then went on to complete her residency in periodontology at the same educational venue in 2007 and received the Master Clinician Award in Periodontics.

As a testament to her success, the doctor is recognized as a Diplomate of the American Board of Periodontology. The mission of the American Board of Periodontology is to certify the achievement of in-depth knowledge and proficiency in the full scope of periodontology and dental implant surgery through examination and periodic recertification.

Among her professional affiliations, she is an active member of the American Academy of Osseointegration, the American Academy of Periodontology, the North Eastern Society of Periodontics, the New York State Dental Association, and the American Dental Association, and the Nassau County Dental Society. She also runs the South Nassau Women's Dentist Study Club and has presented at various conferences nationally and internationally.

Periodontics is the dental specialty focusing exclusively on the inflammatory disease that destroys the gums and other supporting structures around the teeth. A periodontist is a dentist who specializes in the prevention, diagnosis, and treatment of periodontal disease, and in the placement of dental implants.

Among her most notable achievements, Dr. Kaur has been the recipient of the Patients' Choice Award in 2016.

Happily married, she and her husband, Tej Sing, have two sons, Jason and Navi.
