New Delhi, Delhi Apr 29, 2022 ([Issuewire.com](https://www.issuewire.com)) - Amla Reetha Shikakai shampoo to stop hair fall

Problems like hair fall, hair loss, and dandruff can happen to a person at any time. There can be many reasons for having hair problems.

For these reasons,

1. Environmental effect
2. Stress
3. Anxiety
4. Sedentary lifestyle
5. Carelessness in hair care

These days there are many such products in the market which claim to cure many hair problems including hair fall. But using them is just a waste of money and time.

Because most of the products use harmful chemicals which can damage the hair. Nothing can be better than natural things to remove the problem of hair.

There are the natural remedies to overcome the problem of hair fall and hair loss in India since ancient times. One of these is to use [amla reetha shikakai shampoo](#).

When all these three natural ingredients are used together, they remove the problem of hair fall very effectively. You too can easily overcome the problem of hair fall by using these ingredients with a natural and tried-and-true formula.

[Amla Reetha Shikakai for Hair Growth:](#)

1. Amla (Amla/ Indian Gooseberry)

Amla is ancient Indian medicine. It is called Amalaki in Sanskrit and Indian Gooseberry in English. Many properties that benefit the body are found in Amla. It is rich in anti-oxidants. For this reason, medicines like Chyawanprash are also made from Amla.

Amla protects hair cells from external damage and repairs damaged hair. Healthy hair cells promote better hair growth. It also helps in achieving hair growth in a natural and healthy way.

2. Reetha (Indian Soapberry / Sapindus Mukorossi)

Iron or iron element is found in abundance in Reetha, which works really well for hair. Iron is very important to maintain good hair health. It also gives all the anti-oxidants necessary for hair growth. It is also very important for increasing hair growth.

3. Shikakai (Shikakai/ Acacia Concinna)

The scientific name of Shikakai is Acacia Concinna. It is a shrub tree of Asian origin, which is found abundantly in the hot plains of Central and South India.

Shikakai is the most important of these three elements. Because they help to absorb the properties of amla and reetha in the hair. Apart from this, there are many benefits of using Shikakai powder in the hair.

Amla Reetha Shikakai Shampoo For Hair Fall

Whether the problem is hair damage or dry hair. Or tangled curly hair. It helps in removing almost every problem of hair. If desired, all three things can be ground after soaking them whole.

Amla, reetha, and shikakai are used in many ways for hair fall. But the best way to do this is to make

Amla, Reetha, and Shikakai shampoos at home. All you have to do is dry these three things either at home or bring them dry from the market.
