Get to know Registered Nurse, Betzimarie Solla, who serves patients in Ocean Springs, Mississippi.

New York City, New York Apr 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - Betzimarie is a registered nurse currently affiliated with the United States Department of Veterans Affairs in Ocean Springs, Mississippi. She specializes in acute care and home health.

A native of Puerto Rico, she completed her high school education at the Residential Center of Educative Opportunities of Mayagüez and received her nursing degree from the Antillean Adventist University in 2005.

On a more personal note, being a nurse forced Betzimarie to grow very fast. She went to California to study pre-nursing and became pregnant with her son while she was there. She keeps on going to give her kids a better life. Her parents installed faith in her which kept her fighting to get where she is today. She had cancer and stayed focused on her priorities. Additionally, she enjoys giving to others and caring for people.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province, or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.
