

Bianca: One of the Best Mattress Brands in India

Mumbai, Maharashtra Apr 13, 2022 ([Issuewire.com](https://www.issuewire.com)) - Bianca is a prominent name amongst the top mattress brands in India. Offering the finest quality, Bianca allows you to [buy mattresses online](#) with ease. The mattresses that Bianca offers are made to ensure both comfort and health benefits to its customers. It is one such brand that works not just to offer the best products but also to simplify the shopping experience for its customers. Each of their products is designed after thorough scientific research. This ensures that the consumers get nothing but the most premium quality mattresses which serves them with the optimal support and comfort they are looking for. Bianca is also the only company that is certified by Swiss-Ko, the world's number one sleep management company. This shows that right from the raw materials to the technologies, Bianca uses and offers only the best of everything!

Bianca is a flagship brand of Mangal exports, that has emerged as a leading name in the Indian mattress and home decor industry. With a state-of-art manufacturing facility and headquarters in Mumbai, Bianca has strategically located, full-fledged offices all across the key textile zones in India. With a strong distribution network and a dedicated team, Bianca has successfully catered to over 10 million customers since its inception in 1980.

“We wish to become a household name that is considered to be synonymous with supreme quality and trust. With research, the right use of technology, and the finest raw materials we design and manufacture the [best mattress in India](#) that offers both unmatched comfort and health benefits. It is our foremost priority to make sure that our mattresses keep your body at rest and mind at peace gearing you up for acing the next day with outstanding energy.” says Virang Dalal, Managing Director of Bianca.

To offer convenience and avoid confusion, Bianca offers only the two supreme types of mattresses: [orthopedic memory foam mattress](#) and natural latex mattresses. Other than the finest quality Bianca also offers various other benefits to its customers such as a 10-year warranty, a 100-day trial period, free delivery, etc becoming the one-stop-shop for all your mattress needs.

Summary

Bianca offers the finest quality mattresses at the right prices along with offering free shipping to its customers all across India. Made with the right technologies, research, and raw materials, Bianca's mattresses offer optimal support to the body.
