

Burland Technology Solutions win their third Queens Award for Enterprise!

Bury St Edmunds, Suffolk Apr 20, 2022 ([Issuewire.com](https://www.issuewire.com)) - We are delighted to celebrate today, Thursday 21 April 2022, being one of the select businesses recognised as winners of the 2022 Queen's Award for Enterprise - the UK's highest accolade for business success. This time our award was received for Sustainable Development, adding to our Export and Innovation awards received in the past.

This was in recognition of our policies and products supporting the principles of the Circular Economy. In an industry market sector that produces a lot of waste and consumes a lot of energy, we enable clients to buy once and buy right. Many competitors produce products with 5-7 year life cycles. We offer 30-year warranties.

Managing Director and founder Richard Vass, stated, "We are chuffed to bits to be recognised in this way. I must thank our many global clients who are willing to spend a little more on superior products, saving them money in the medium and long term. In addition, the reduction in waste and carbon footprints will really make a difference". He added, "For several years only a few smart organisations looked at our offering in the round, realising that the bitterness of poor quality remains long after the sweetness of low price is forgotten. Now with an ever greater awareness of pollution and carbon footprints, more clients are coming around to our way of thinking".

This is Burland's third Queens Award having been recognised for Export Achievement, Innovation, and now Sustainability.

Notes for Editors

- 249 Queen's Awards have been announced this year for outstanding business achievement in the fields of International Trade, Innovation, and Sustainable Development. Winners of The Queen's Awards can expect an invitation to attend a special reception at Buckingham Palace.
- QA winners can also use The Queen's Award Emblem in advertising, marketing, and packaging for a period of five years as a symbol of their quality and success.

- The awards are made annually by HM The Queen and are only given for the highest levels of excellence demonstrated in each category.
- To find out more about next year's awards visit the Queen's Award website
