**Bridgeton, Missouri Apr 12, 2022** ([Issuewire.com](http://Issuewire.com)) - CassCo's range of [pet grooming products](#) available for **private labeling** is including of pet stain & odor remover, hair detangler, eye-tear remover, ear wash, all-in-one pet wash, pet cologne, and pet wipes. The all-natural formulations are FREE from alcohol, harsh chemicals, phosphates, sulfates, and parabens. You can not only white label

our existing formulations, but also customize them under a private label.

We provide bulk products to clients that can repackage and label at their own facility and concentrates to clients that have the capability to formulate, blend and package finished products. We provide a turn-key private label program for clients that want us to handle all aspects of production, packaging, and labeling for them. Our low minimum order quantity eliminates the high startup costs usually associated with private labeling. In addition, we offer FREE graphic designing, to create custom labels and pouches for our clients.

For more details about our private label program, feel free to visit [www.cassco-bio.com](http://www.cassco-bio.com).

### **About CassCo Bio Labs**

CassCo Products, Inc. was founded in 1995 as a worldwide supplier of beneficial bacteria & enzyme formulations. Over the last 25 years, they have expanded into many market segments, and currently offers a wide range of natural-based products for many different industries such as pet grooming, beauty, sports nutrition, and health supplements among others.

Our clients have ranged from Amazon sellers and other wholesalers to product manufacturers, distributors, and retailers.

Request a quote today to learn more about [private labeling](#) and white labeling with them.
