

Chris Badnews Barnes' New Music Video "When Koko Came To Town" Perfectly Demonstrates The Hokum Blues

"When Koko Came To Town" is a brilliant American Blues setpiece by artist Chris BadNews Barnes. The vocals and the drumbeats in the track are a match made in heaven.

Southington, Connecticut Apr 19, 2022 (Issuewire.com) - Blues music artist **Chris BadNews Barnes** has recently launched his brand-new single "[When Koko Came To Town](#)" which brings up all the memories of the famous performances from Koko Taylor. With the song, the artist has perfectly given a tribute to the famous singer. The engaging lyrics and the top-notch composition of the song can make all the blues music lovers dance with joy. The brilliant songwriting technique is on display for everyone. The artist has teamed up with Grammy award-winning producer Tom Hambridge for his first-ever original album titled BadNews Rising. The production house that the artist is associated with is Vizztone Records.

The artist has tried to shed some light on the good old days when he used to share the stage with Koko Taylor, Johnny Copeland, and Pinetop Perkins while performing in New York. The brilliant presentation of Hokum Blues executed by the artist is one to admire, as only a few artists can match this level. The music video has grabbed the attention of all the global viewers and is increasingly becoming popular on YouTube due to the background visuals used in it, with the artist at the center. Other famous works from the talented artist are "It Hurts Me Too", "I Drink Alone", and "America Needs A Queen", and the list continues.

Chris BadNews Barnes is a gifted and experienced personality who can match the high levels in the musical world. The artist was a former Curb Your Enthusiasm, Seinfeld, 30 Rock, and Carol Burnett TV show performer. The artist has had the privilege to walk across almost every kind of musical platform and has witnessed some of the greatest in his lifetime. All the ten songs in the album written by the artist and recorded at Nashville's Stage Studio are going to leave a mark in the modern music industry. With the contributions from famous artists like Kevin McKendree, Tommy MacDonald, and Pat Buchanan, the song "**When Koko Came To Town**" is igniting the passion among many. Listen to it on [YouTube](#) and follow the artist on [Facebook](#) and [Twitter](#) for more updates.
