

Dr. Ankit Desai MD, Board Certified Ophthalmologist and Founder of Windy City Retina

Plainfield, Illinois Apr 26, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Ankit Desai is a board-certified ophthalmologist and founder of Windy City Retina eye care center in Joliet Illinois, Chicago. He specializes in the

medical and surgical treatment of vitreoretinal and macular diseases.

Additionally, he was also an associate professor of ophthalmology at Saint Louis University- Saint Louis, Missouri, and associate staff at Henry Ford Hospital- Detroit, Michigan.

Windy City Retina is founded to provide advanced and personalized eye care to patients by using the latest technologies. With perseverance, dedication, hard work, and proper attention, Windy city retina have become one of the best eye care centers. It is developed to provide specialized eye care based on patients' needs and requirements.

Windy city retina provides the highest quality eye care as well as medically accurate information about eyesight, eye conditions, and diseases. Eye care specialist always tries to excel in their skills for treating patients properly.

As a native Chicagoan Dr. Ankit Desai grows up in Joliet Illinois, Chicago. He studied molecular biochemistry and biophysics at the Illinois Institute of technology. He earned his medical degree from the Chicago medical school and graduated with honors. He then completed his ophthalmology residency at Saint Louis University- St. Louis, Missouri, and a two-year surgical fellowship in Vitreoretinal Disease at Henry Ford Hospital- Detroit, Michigan.

Furthermore, he is a specialist in the medical and surgical treatment of vitreoretinal and macular diseases and a board-certified ophthalmologist from the American Board of Ophthalmology (ABO). The American Board of Ophthalmology is a medical specialty board in the United States providing certificates to qualified ophthalmologists. An Ophthalmologist is required to pass the oral and written exams for getting the certificate. These ophthalmology certificates are recognized by the American Medical Association (AMA) and the American Board of Medical Specialties (ABMS).

Dr. Ankit Desai is also associated with many societies and organizations. It includes the American Society of Retina Specialists, Illinois Society of Eye Physicians and Surgeons, American Academy of Ophthalmology, and American Board of Ophthalmology.

Before establishing Windy City Retina he was practicing in Southern Illinois. As an ophthalmologist, he is skilled in treating many eye conditions such as Age-Related Macular Degeneration, Diabetic Retinopathy, Retinal Tears, Retinal Detachment, etc.

Ophthalmologists are medically trained practitioners who provide treatment and prevention of all eye and vision problems. They also perform various eye surgeries such as glaucoma, corneal, cataract, etc.

As a specialist in the medical and surgical treatment of vitreoretinal and macular disease, Dr. Ankit Desai is also recognized as Illinois's favorite physician. He is a recipient of the Vitals Patients' Choice Award and Vitals Compassionate doctor Award 2020. These awards were given for recognizing his faithful service provided to the patients.

As a Chicagoan, he loves to spend time with his family and friends. He treats all his patients as well as Windy City Staff like family. In addition to giving patients quality care, his positive attitude also makes patients comfortable.
