EverythingAboutWater is organizing its flagship event of the year, the '17th EverythingAboutWater Expo and Conclave 2022' from 4th to 6th August 2022 at Hall No. 7, Pragati Maidan, New Delhi.

This is the 17th Water Expo and conclave by EverythingAboutWater and is one of the most unique and comprehensive annual events in the industry. This is going to be a physical event after two years of a pandemic is much awaited by industry experts. The last expo was held in 2019 at the India Mart Expo, Greater Noida, India. In 2020 and 2021 the company shifted to a digital platform and organized a Virtual Expo and Conference. The event is already creating a buzz in the industry as an expo of such grand stature will be happening for the first time post pandemic era. However, the organizers will be following all Covid precautionary protocols at this event.

The expo ground covers over 50,000 sq. ft. of exhibition space and will showcase the latest technologies in the water and wastewater management sector from Indian and International exhibitors. The event is expected to attract 100+ Exhibitors & 10000+ Industrial, Trade and Government Visitors. Special pavilions promoting advanced technologies from countries like the USA, Taiwan, Canada, UK, Netherlands, and Israel are also going to be part of this event. The event will boost the business between the International and National water companies and government agencies. Owing to the rich history of the event and organizing company, the event is also recognized as South Asia's largest water event in recent times. It is seen as a perfect gateway for International companies to enter the vast and dynamic ecosystem of the Indian Water and Wastewater management sector.

EverythingAboutWater Conclave, which is a two-day International Conference will also be a part of this mega event. **“The conference will focus on the latest developments in water & wastewater management. We are really excited to meet all our national as well as international delegates in person after a gap of two years”** said Nisha Agarwal, AVP EverythingAboutWater. More than 20 International experts and speakers and around 500+ Conference Delegates are expected to be part of the conference. The dates of the International Conclave are 4th and 5th August.
