Austin, Texas Apr 25, 2022 (Issuewire.com) - The first US Trademarked and Licensed Pet Business in the World

OMG, The company is excited to announce its new online course, called "How To Make Six Figures in the Pet Business ". The course has launched on teachable [Enroll today.](#)

This interactive digital learning program will teach you everything from How to secure business credit, how to read your puppy's DNA, and training through breeding for success! You'll be able to get hands-on experience by practicing what we preach here at Yorkies of Austin —the most successful furry finance experts out there who have helped many people turn those pesky dollars into greenbacks thanks largely due to these platforms; no doubt about it. See the puppies we have raised. [Our Puppies want to meet you!](#)

Taught by a Paralegal, experienced pet care provider, and Pet business owner, this course teaches individuals how to take their passion for pets and turn it into a profitable career. The Learning Program is made up of video tutorials and interactive exercises that cover all aspects of the industry from creating a business plan to delivering and Testing puppies. The program also includes four hours of coaching with an expert in the field as well as completion certificates which can be used towards employment or

licensing requirements. The course is designed to help people learn about business credit, business plans, how to test their animals, and training on how to read your dog's DNA.

[Invest in yourself](#) What are you waiting for?

Although the Podcast is a broadcast live show that airs every Wednesday at 11 pm. The host of the show, Jackie Harrington, has been in advertising and marketing for 10 years and she shares knowledge with listeners on how they can capitalize on their creativity to create more opportunities in the industry.

Still, looking for a way to add value to your puppies? Look no further than Yorkies of Austin Stud Services! Our award-winning studs have been producing some of the world's most impressive show dogs, and we're proud to offer their services to help you improve the value of your own puppies. www.yorkiesofaustin.com/studservices

Nevertheless, our recent hit, "It's a whole lotta Fluffy" is streaming around the world check [out the single](#) and has helped make our studs some of the most popular and in-demand dogs around. So if you're looking for a stud look no further. The company is also proud of its recent decision to expand Yorkies and French Bulldogs, who have successfully placed as some of the biggest show dogs in the world.
