

Flowize proudly announces strategic partnership with Muse Platforms Inc.

New York City, New York Apr 13, 2022 ([IssueWire.com](https://www.issuewire.com)) - Flowize, the leading low-code platform where developers, automation pioneers, integrators, and digitizers build their customer-centric products and solutions in an expedient and cost-effective manner ([Build with Flowize](#)), is proud to announce its partnership with Muse Platform, www.museplatforms.com, the leading Digital Transformation partner to Fortune 100 corporations in the Retail, High Tech and Broadcasting industries.

With this partnership, Muse Platforms will accelerate the digital adaptation of its customers, and enable them to automate mundane, repetitive, and time-consuming manual tasks; communicate directly with their customers, partners and audiences in a personalized and relevant manner; and optimize their data stack and software inventory.

Flowize is very excited to partner with industry leaders Muse Platforms and adds to Muse Platforms' abilities to tackle their clients' most frustrating obstacles to optimization and communication.

Muse Platforms helps people find purpose through digital performance to create inspiration, innovation, insight, and impact in the world one moment at a time.

Our passion is in democratizing technology to ensure that all dimensions of life have a voice in the data produced by the software.

We are an international group of engineers, marketers, organizers, data scientists, and creative practitioners headquartered in NYC who leverage leading platforms (e.g. Adobe Experience Platform), practice disciplines (e.g. data science, analytics, customer experience, marketing automation), and new channels (Voice, CTV) to better know your audience, maximize your performance and create differentiating business outcomes.
