**ELECTRONIC TRAVEL AUTHORIZATION**

**Vancouver, British Columbia Apr 19, 2022 ([IssueWire.com](http://IssueWire.com))** - Travel to Canada without any hassle of visa generation with the help of Canada eTA. This electronic travel authorization program is bringing more convenience to the field by letting the citizens of certain Visa-exempt countries travel to the country. This program is a joint agreement between the country and United States Government to secure the travel authorization system and turn it better for both countries. Starting from 2015 onwards, the eTA program is currently the best alternative for a visa that can be generated from home, from the official website of [Canada Visa Online](http://Canada Visa Online).

[Canada Visa Application online](http://Canada Visa Application online) is the easiest form that can be filled within a few minutes and the users are able to generate their travel authorization. Immigration, Refugees, and Citizenship Canada (IRCC) are ready to check the identity of the users, offering complete security. The whole process gets done within 24 to 72 hours and the users are able to get the authorization via email without visiting the embassy or going through an intricate process. This authorization is applicable for both whether you travel via cruise ship or a flight. There are four types of Canada eTA for Transit or layover, Business, Tourism, and Medical purposes.

The United States Green card holders are lawful permanent residents of the nation who can travel to Canada with the help of an eTA Canada Visa. However, they do not require any tourist or visitor visa to enter as only the travel authorization is enough. The green card holders can stay up to 6 months in Canada with the help of an eTA visa including multiple entries. The authorization stays valid for up to 5 years; letting travelers take complete advantage of it. The users can apply and generate their authorization any hour of the day, as the agency offers 24x7 active services along with customer support to make sure all the users are able to get their eTA visas exactly when they want. The agency offers multiple payment methods and language support to offer a user-friendly experience. Visit [www.canada-visa-online.org](http://www.canada-visa-online.org) to find out more.
