Nephrology Associates of Central Florida treats its patients and their families with warmth, respect, and compassion. They uphold their patients' dignity as they provide them with optimal care. Their physicians are all board-certified and have been providing quality care in the nephrology community since the 1970s, with offices located throughout Central Florida.

Throughout her academic career, Dr. Baynes-Fields graduated with her Doctor of Osteopathic Medicine degree from the Nova Southeastern College of Osteopathic Medicine, and completed her residency in internal medicine at the Largo Medical Center. Finally, she completed her fellowship in nephrology at the Drexel College of Medicine.

As a testament to her success, the doctor is board-certified in nephrology and internal medicine through the American Osteopathic Board of Internal Medicine, which is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the prevention, diagnosis, and treatment of disease in adults.

Nephrology is a specialty of medicine and pediatrics that concerns itself with the kidneys. It is the study of normal kidney function and kidney disease, the preservation of kidney health, and the treatment of kidney disease, from diet and medication to renal replacement therapy. Nephrologists have advanced training in treating kidney disease. They diagnose and treat kidney failure, as well as help patients by prescribing medications, offering special diet advice, and coordinating dialysis care or kidney transplantation when it becomes necessary.
