

Jean R. Harty, MD, a Pediatrician with University of Kansas Medical Center

Get to know Pediatrician Dr. Jean R. Harty, who serves patients in Kansas City, Missouri.

New York City, New York Apr 7, 2022 ([IssueWire.com](https://www.issuewire.com)) - A seasoned pediatrician, Dr. Harty sees patients at the University of Kansas Medical Center.

The University of Kansas Medical Center's mission is to improve lives and communities in Kansas and beyond through innovation in education, research, and health care. With campuses in Kansas City, Salina, and Wichita, it is home to nationally ranked academic programs in the health sciences.

Educated in the United States, Dr. Harty earned her medical degree from the University of Kansas School of Medicine. She completed her residency in pediatrics at Children's Mercy Hospital, and her fellowship in developmental and behavioral disabilities at the University of Kansas Medical Center.

Pediatrics is the branch of medicine that involves the medical care of infants, children, and adolescents. The American Academy of Pediatrics recommends individuals be under pediatric care up to the age of 21. Pediatricians provide medical care to people ranging in age from newborns to young adults. They are trained to examine, diagnose, and treat children with a wide variety of injuries and illnesses through all of their developmental stages, as they grow and mature.
