

Jennifer Lynn Phillips, BSN, RN, Registered Nurse

Get to know Registered Nurse, Jennifer Lynn Phillips, who serves patients in Albuquerque, New Mexico.

New York City, New York Apr 18, 2022 ([IssueWire.com](https://www.issuewire.com)) - Jennifer is a devoted registered nurse specializing in progressive care, telemetry, and infectious disease, serving her patients in Albuquerque, New Mexico.

Graduating with her Associate's Degree in Nursing from Westchester Community College in 2019, she earned her Bachelor of Science in Nursing degree from the University of New Mexico in 2022.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province, or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.
