The texture of this wig is the classic body wave with brown highlights. The combination of natural black roots and brown hair will match all girls with different skin tones. Besides, the lace part of the wig is transparent lace, which will give you the most natural hair look. Customers can choose the length from 16 to 24 inches.

- Orange Ginger Body Wave 13X4 Lace Front Wig

Orange ginger hair color is more energetic and more attractive than the common black and brown color. The bright orange ginger reminds us of the orange juice and the fiery sunset. You will be extremely sexy and charming with it. The 13x4 lace part mimics the real scalp to give you the most natural look and the best comfort. If you want to try a colorful wig in the hot summer, then this orange ginger wig is worth trying.

- Honey Blonde Jerry Curly Highlights Wig

<https://www.juliahair.com/julia-affordable-honey-blonde-highlights-13x4-lace-front-wig-150-density-jerry-curly-transparent-lace-human-hair-wigs.html>

Jerry curly is a hairstyle that has always been popular among women of color. It looks like the natural hair of African American women so it can help create the most natural hair look. The fluffy hair also frames your face shape. Besides, the brown base tone and the honey blonde highlights add more interest to the wig. The highlights can brighten your skin tone.

- Bigkane's Same Hair 90's Inspired Layer Cut Straight Wig

If you are a hair fashion follower, then the trendy butterfly haircut wig is the one you cannot miss. Different from the common straight black wigs, the butterfly haircut wigs design the layered hair ends. The layered butterfly haircut can frame the face and give an illusion of a shorter but voluminous haircut. Whether you want to be cool or get a sweet appearance, a butterfly haircut can meet your requirements.
