

Julie Cardenas, RN, Registered Nurse

Get to know Registered Nurse, Julie Cardenas, who serves patients in Lake Tapps, Washington.

New York City, New York Apr 18, 2022 ([Issuewire.com](https://www.issuewire.com)) - Julie is a registered nurse currently serving patients in Lake Tapps, Washington.

Before the start of her career, she graduated with her nursing degree from Yakima Valley College in 1987.

Professionally, Julie is an active member of the American Nurses Association, a 501 professional organization to advance and protect the profession of nursing. It started in 1896 as the Nurses Associated Alumnae and was renamed the American Nurses Association in 1911.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province, or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.
