

Katahide.com Works on Expanding the Team of Equity Specialists in Dividend Growth

The company considers alternatives to continue the course of developing the Asian Growth team.

KATAHIDE

Osaka, Japan Apr 2, 2022 ([Issuewire.com](https://www.issuewire.com)) - Katahide.com, a professional asset management firm with investment management skills across all major areas of the global capital markets, which is constantly improving its existing platforms and value-creation expertise via innovation, today announced the goal of expanding its Asian Growth Team, as part of the company's long-term ambition to develop its equity solutions for investors.

Katahide has always been dedicated to providing its customers with precision, productivity, and smart investing insights, and after several discussions among the firm's leadership, the decision was made to expand the Asian Growth Team by hiring experienced specialists to meet customers' expectations. Katahide's Asian Growth Team is expanding, and new members are welcome to join.

Katahide has also taken guidance from [Asian Equity Trading experts](#). Selected specialists will supervise the day-to-day operations and performance of the firm's regional equities desks and personnel in this capacity.

"The team's new responsibilities will enable **Katahide.com** to provide its clients with equity strategies that are focused on analysis within a cohesive macroeconomic framework," said Hisakawa Rumiko, Head of the Asia Pacific Region.

"These new alternatives bring a total of more than 15 years of investment management expertise to

Katahide. Attracting top investment professionals requires a mix of the firm's commitment to giving clients equity solutions and the power of Katahide's brand", said Mizutani Aito, Senior Vice President of Katahide.

New appointments will provide *Katahide* a major boost in its capacity to offer considerable assistance and solution-oriented strategies to its Equity Division, demonstrating the firm's ability to deliver great outcomes to its customers regardless of market conditions. From actively long - short, profit-centered emerging market, and value strategies to the revolutionary Stocks Alpha Income suite of equity solutions, Katahide's stock products include a wide range of techniques and approaches.
