Keeping Families Connected's a very first stage play, WHERE THE REAL CHURCH FOLKS AT was a success. Keeping Families Connected, a nonprofit organization in Dallas, Texas celebrates its 7 year Anniversary. National Grammy Gospel Recording artists, Luther Barnes, Robert Stafford (father of Lil Nas X), and Juan Carlos De Santiago Rodriguez (grandson of Shirley Ceasar) graced the stage with their performances.

Where The Real Church Folks At? was performed to show the world, as well as the community that in spite of what it looks like, there are still some genuine people out there that genuinely care about the well-being of others and that family connection, matters most.

Keeping Families Connected is a non-profit 501c3 organization that seeks to enrich the lives of young people through events, providing educational resources, mentoring, financial literacy education, and counseling services. We also provide free luxury prison trips for kids and families that have incarcerated parents and loved ones. We believe that family matters most.
