**Dallas, Texas Apr 9, 2022 ([IssueWire.com](https://www.issuewire.com))** - Keeping Families Connected is on another mission to be a blessing. We are sponsoring tuxedos for those students that would like to attend prom this year in style. Keeping Families Connected was given these tuxedos by Mister Tuxedos in University Park, Texas. Mr. Billy saw the good that Keeping Families Connected is doing with the Boyz N Blue & Girls Too and felt that we could support our local students this year from prom.

Keeping Families Connected is a non-profit 501c3 organization that seeks to enrich the lives of young people through events, providing educational resources, mentoring, and counseling services. We believe that family matters most.

Keeping Families Connected also provides free luxury prison trips for kids and families that have incarcerated parents and loved ones. We truly believe that family connection is important.

Letitia Scott Jackson's passion, perseverance, and positive outlook are infectious. She wants to be the change agent in her community and make sure the next generation of boys and girls are not destined for bad outcomes in life. Letitia is realistic but garners hope that what she is imparting to these young men & young women will help them navigate life with the tools that help them grow to be good sons, good fathers, mothers, and good members of society.
