

Leawo Easter Sales 2022 Is Offering 50% OFF 4-in-1 Photo Toolkit for Comprehensive Photography Solution

Leawo Software recently launched their 2022 Easter online sales, offering 50% off 4-in-1 Photo Toolkit, up to 91% discounts, PowerPoint to Video Pro freebie, and more.

Shenzhen, Guangdong Apr 8, 2022 (Issuewire.com) - Compared to the past two years, Easter 2022 looks more like a "normal" Easter in many ways. While Easter isn't traditionally seen as a major retail holiday, consumers can still expect to see a variety of discounts. For those who prefer to avoid the crowds and celebrate at home, online promotions are still available. Leawo Software, a leading developer and supplier specializing in multimedia solutions and data management software, also launched their [2022 Easter Giveaway & Specials online sales](#). Starting today, until April 30th, 2022, participants can enjoy up to 91% discounts on their top-seller products, have a chance to win PowerPoint to Video Pro for free, and so on.

Among all deals, 50% off 4-in-1 Photo Toolkit is the best bundle for Easter. As Covid-19 cases dwindle, traditional Easter activities are returning, and people started to dine out and travel together. Of these, photos might be the most important part. Therefore, Leawo Software specially offers a 50% discount for their 4-in-1 Photo Toolkit, including Photo Enhancer, Photo BG Remover, Video Converter, and DVD Creator. During this event, consumers can save up to \$74.91 for this all-in-one photography solution bundle. The following are detailed introductions to these products.

[Photo Enhancer](#), powered by AI technology, is a one-stop AI photo enhancement solution. It can batch improve photo quality in one click by adjusting exposure and white balance, enhancing color and tone, optimizing contrast and sharpness, and more. When used as a portrait enhancer, it can retouch skin, remove freckles and wrinkles, enlarge eyes, etc.

[Photo BG Remover](#), driven by a smart algorithm, provides a one-stop solution to remove image background in batches. After the source photo is loaded, it intelligently analyzes the clipping edge,

accurately surrounds the clipping area, and instantly removes the photo background. In addition, manual deletion, change, and editing of photo backgrounds are also supported.

[Video Converter](#), as one of the best video and audio converter software, empowers users to convert video and audio files between 180+ formats, such as MP4 to MKV, MP4 to AVI, MKV to MP3, MP3 to AAC, etc. In addition, it can also turn photos into slideshow videos, with trimming, cropping, watermarking, applying 3D effects, and other video editing functions provided.

[DVD Creator](#) is a powerful DVD burning program, allowing users to easily create DVDs in different formats, like MKV, MP4, MOV, AVI, and more. It is capable of burning video to DVD-9 or DVD-5, converting video to DVD folder or ISO image file. What's more, with built-in video editing features and templates, users can customize the disc menu at will.
