This program is designed to provide an innovative, solution-driven business platform for pharmaceutical stakeholders.

“Medical representatives, pharmaceutical distributors, pharmacy dealers can become part of monopoly-based PCD Pharma Franchise business and work under company’s brand name,” said the founder & Managing Director of Lifegenix Mr. Madhav Chopra. He also added “Since we have been actively involved in the manufacturing, exporting and marketing of the pharmaceutical medicines and nutraceuticals since 1994 we have good market experience and brand value. Health professionals trust us with the quality and our supply chain is well organized. This allows us to supply our products into the marketplace on time.”

## **Pharmaceutical Franchise / PCD**

Pandemics fueled the growth of small businesses and business in the pharmaceutical sector is the safest option for many professionals. PCD Pharma Franchise is among such businesses which survived the Covid -19 situation. The scope of this business has increased over the past few years. PCD (Propaganda Cum Distribution) and Pharma franchise both are two peas in a pod, individuals get the exclusive distribution and marketing rights from a pharma company and get the products, brand names, and promotional support from the company.

PCD Pharma Franchise business has grabbed the attention of many investors and has become a lucrative business with less investment, minimum risk, and high profit. Indian Pharmaceutical market is already seeing good growth even the Pandemic couldn’t affect this sector. India being among the pharma market leaders stands 3rd in terms of volume and 10th in terms of value globally.

Lifegenix deals in several medical segments like Anti-Depressants, Anti-Psychotics, Cerebral Activators, Anxiolytics, Anti-Convulsants, Anti Migraine, Anti Alcoholism, NSAIDS, Neuralgia & Anti-Arthritics, Antidiabetics, Anti Microbials & Anti Biotics, Anti-Ulcer, Hyperacidity & Gastroenterological, Anti Parkinsonian, Anti Asthmatics, Vitamins & Minerals, Antiemetics and so on.
