Pune, Maharashtra Apr 16, 2022 (Issuewire.com) - Interactive Training From vmukta.com
Maharashtra, Pune, Apr 15, 2022 (Issuewire.com) - vmukta™ has announced the launch of the Online Digital Marketing Live Course, Batch III for career focussed employees, start-up founders, and corporate professionals. A must-have course with Practical Approach for “everything you need to learn for enhancing employability, upskill and open path to success through greater career profile and path for

success”.

Keeping the job and business scenario in mind, vmukta.com is now opening enrollment for its flagship live & interactive course ' Practical Digital Marketing Live Training' Batch III with certification. The courses will be conducted by 12+ industry experts in the first of its kind in the industry - an online live training/meeting mode moving away from the pre-recorded sessions/webinars making this a unique learning experience for career-minded professionals.

Here are some of the highlights of the course which are unique:

1. 12+ Industry gurus to learn from, each one is an expert in their industry
2. Completely online course on weekends (Sat/Sun)
3. Live and Interactive class (no boring webinars or recorded videos)
4. Small batch for individual attention
5. Friendly yet professional environment
6. Focus on practical learning and not just theory
7. Affordable fees (Just Rs. 9999 / USD 199 all-inclusive)
8. Queries answered by experts even after the course completion
9. Certificate from vmukta.com

Here is the link to know more, please do visit the trainer's LinkedIn profiles and validate our claim of the best online training yourself.
