New Times Hair, Your Trusted Hair System Supplier and Business Partner

Altamonte Springs, Florida May 9, 2022 ([Issuewire.com](https://www.issuewire.com)) - Nowadays, the wig market is getting increasingly competitive as the number of wig sellers has been surging across the globe in the hope of getting the most out of this highly rewarding industry. Whether you are a human hair wig and hair system distributor, retailer, or salon, who you choose as your wig supplier plays a crucial role in how far your business can go. Out of such numerous wig manufacturers and suppliers in the wholesale market, [New Times Hair](#) is the one you can trust.

As a world-leading wig supplier with ten years of experience in the hair wig industry, New Times Hair could be the best place that allows you to make a big difference in your hair wig business. Over the past decade, we have partnered with thousands of hair wig vendors of all kinds from more than 100 countries. They are mostly hair salons, online shops, hair system retailers, and distributors. There are many reasons why choosing New Times Hair as your wig supplier could be one of the wisest decisions you can make.

Wide Selection of Stock Hair Systems for Immediate Shipment

New Times Hair offers the best full [lace hair system](#) & lace toupee for men, Nonsurgical, Factory direct price! At New Times Hair Company, we offer a wide selection of [stock hair systems](#) like [men's toupees](#), and [women's wigs](#) available for immediate delivery. No matter where you're located in the world, you'll receive your hair toupees within 3-5 business days after the order is placed. Our hair toupees are manufactured with the finest real human hair following the strictest quality standard to provide high-quality, great-looking human hair toupees.

Exclusive Customization Service

Except for stock hair systems and wigs, we also offer [custom hair systems](#) and wigs made exactly as per your requirement.

As an effective means of product differentiation for our partners to stand out in the market, the exclusive customization service can be your secret weapon to keep winning new customers. With our help, all the details of their hair systems can be tailored according to their own needs. So it is never a dream for you to give your customers the hair systems they specifically wish for!

Superior Product Quality

At New Times Hair, we source our hair and base material from only the most reliable and outstanding suppliers in Europe and South Asia. Also, our hair wigs are handcrafted by a highly specialized manufacturing team consisting of more than 100 senior craftsmen. To ensure the superiority and consistency of our hair system quality, stringent quality inspection procedures are always put in place.

Competitive Wholesale Prices

Since we have our own factories, all wholesale prices you are getting from us are factory-direct prices. You would not find such top-grade wig products for such generous prices elsewhere. The larger the quantity of your order, the lower the cost of each unit. In addition to giving you a large profit margin, we also want more and more people to be attracted to your prices to increase the sales volume of your business. And that is how you can maximize your total profit.

Professional Branding Support

At New Times Hair, we have a highly specialized branding team with a long experience assisting wig business owners in building up their own brands. You can count on us for things like product design, logo design, and packaging design. All the wigs you are getting from us can be privately labeled following your specific instructions to showcase your brand presence.

Dropshipping Service

As a wig supplier doing global business, we provide all our partners with a worldwide [dropshipping](#) service that is not limited by your customers' geographical location at all. So all their orders placed from your business can be shipped to them directly to spare you the hassles. So you will not need to struggle with any problems resulting from demanding business budgets or unpredictable inventory demand.

Day Free Return Policy

As we know that you might be worried about certain risks associated with making online purchases from overseas, we have a very accommodating return policy that allows you to return the hair systems within 30 days of purchase in exchange for a replacement or refund. This means you will not make any purchases that you would later regret.

Value-For-Money Startup Packages

Some of you might have just started your businesses or are planning to start one. Then a [startup package](#) with basic hair systems and tools you need for your first installation is what you need to have a successful beginning. In addition, you will have the opportunity to have a free hair system from us, so you will know if we have the right things for your business in advance.

At New Times Hair, we are always looking forward to becoming your trusted long-term wig supplier. Once you find out what our products and services are alike, you will have a more insightful idea of the best wig supplier.
