

Nityo appoints Jeetendra Kumar Ojha as Group President and Global Chief Operating Officer.

Plainsboro, New Jersey Apr 22, 2022 ([IssueWire.com](https://www.issuewire.com)) - Nityo Infotech Corporation (Nityo), a Global Technology Solutions and Services organization headquartered in the US announced the appointment of Jeetendra Kumar Ojha (JK) as the Group President and Group Chief Operating Officer.

In his role, JK will run the Service Lines of Application Maintenance Services, IT Consulting, Mobility, Emerging Technologies, Infrastructure Maintenance Services, Product Engineering Services, and Enterprise Applications globally. JK also joins Nityo's venture arm, KFC Ventures as Venture Partner responsible for select KFC Ventures portfolio companies.

In his very notable 25+ years illustrious career, and as a proven P&L leader, he established large and profitable business units, worked across geographies and industry verticals, and was also instrumental in some key acquisitions. JK brings invaluable experience with his track record of building and scaling businesses.

"We are excited to have someone of JK's calibre and experience to lead Nityo Infotech Global Services Lines in its next chapter of growth," said Naveen Kumar, CEO, and Founder of Nityo Infotech Inc. "JK's appointment reflects our strategy and desire to accelerate our growth and make Nityo Infotech a force to reckon with in this fast-changing world, full of opportunities and challenges. JK is a technology visionary with a proven track record of success and execution. He has a strong drive, is customer-focused, building high-performance teams with deep leadership capabilities."
