Dubai, United Arab Emirates Apr 12, 2022 ([IssueWire.com](https://www.issuewire.com)) - Passionpreneur Publishing has announced the release of *Through The Chair* by Tadhg Flahive via the publishing industry's largest global book distribution networks. The book is anticipated to have an inspiring and profound effect on its target audience.

Abu Dhabi Na Fianna is one of the world's fastest-growing GAA clubs. It is the only club that has ever hosted the GAA World Games. It has also hosted a number of Inter-County teams and GAA All-Stars tours. This book charts the meteoric rise to fame of Na Fianna from the perspectives of the ten Chairmen who led the organisation's 25-year journey. Each shared a messianic desire to lead the club with influence and impact. Their incisive recollections immerse you in a concoction of trials, tribulations, and triumphs. Through gripping and exposing narratives, extraordinary adventures are relived. Each chair waxes lyrical about the importance of surviving and prospering.

Over 100 internal and external stakeholders submit enlightening testimonials, and the best teams from various eras are chosen. The results of psychometric tests performed on each Chair allow readers to gain insight into the minds of these luminaries. The club's extensive philanthropy work is also highlighted, with hundreds of thousands of UAE Dirhams raised for a plethora of charities worldwide. Recollections penned in this epic journey can now be bequeathed to future club members and moved into history.

The book is now available to inspire readers across the globe through the IngramSpark distribution network and other affiliates which will cover print-on-demand across the UK, Europe, USA, Australia, New Zealand, and the Middle East. The book is available in 25+ online bookstores like Amazon, Barnes & Nobles, and in the Middle East.
