Dubai, United Arab Emirates Apr 12, 2022 ([IssueWire.com](https://www.issuewire.com)) - About The Book

Scientifically based informed choice of career is an antidote to wishful thinking for career success. Life design is determined by brain design claims Dr. Sweta Adatia, a Neuroscientist whose own career is an exemplary example of the application of this science. The book is facilitating career decisions for young high school goers, post-college students, and confused adults through cutting-edge Neuroscience fundamentals proposed by her.

Once released, the book will be available in print format in the USA, UK, Europe, Australia, New Zealand, and the Middle East; and the e-book will have a distribution from more than 70 online partners serving readers across the globe.

About The Author:

Dr. Sweta Adatia is an accomplished Neurologist trained in India, Canada & Cambridge, UK. She has worked on five continents. MyBrainDesign was born with the vision to allow each person to work in alignment with their own brain's thinking preferences. She believes in optimizing the potential for self so that the benefit can be percolated to the nation and the world at large.
