Lelystad, Flevoland Apr 22, 2022 (Issuewire.com) - Jocky Boa Boxer Club is a collection of 10 000 NFTs that grant access to unique Transformer features, exclusive Boxer Club membership, members-only benefits, access to future utility areas, and unlock perks throughout the roadmap plan.

What's Our Story?

Each Jocky Boa NFT is unique and is inspired by Rocky Balboa's movie. Like Rocky Balboa, Jocky Boa is dope and stored on the Ethereum blockchain. When you own a Jocky Boa NFT, you will be able to hold 3 NFTs through the Transformer NFT Feature.

With every NFT, you help Ukrainian refugees as Jocky Boa Boxer Club will donate 10% of the total income to help Ukrainian people who have suffered from the damage.

When will Jocky Boa be released?

The Jocky Boa Collection will be released on 22 May 2022. You will be able to mint the Jocky Boa directly from the Website. The link will be active on the date of release.

What Does the Roadmap Look Like?

The Roadmap for Jocky Boa is quite simple and focuses on Long Term aspects of the projects.

We will launch 10,000 Jocky Boa NFTs on 22 May 2022 for minting. After all Jocky Boa's sold out, 10% of the total income will be donated to the Ukrainian Refugees for their damage. After that, our Transformer NFTs will be launched.

With the Transformer NFT feature, NFT lovers will be able to have free personalized NFTs.

Later, We will facilitate our community with social interaction platforms, game rooms, physical meetings, super personalized NFTs, etc.

We will launch our NFT Startup Studio facilitating and helping new startups and projects.
