

PheasantTech becomes the Best Forex CRM award winner at the Forex Expo Dubai 2021

Best Forex CRM Award at Forex Expo Dubai

Dubai, United Arab Emirates Apr 21, 2022 ([IssueWire.com](https://www.issuewire.com)) - We are glad to announce that PheasantTech has won the Best Forex CRM Award at Forex Expo Dubai 2021.

The Forex Expo Dubai is the Event for the Forex Professionals to Learn and Explore in FX Trading Business. Here you meet the Right Leaders who can change your life with their knowledge shared with

you. At the Expo, the Forex service providers worldwide showcase their expertise and range of products. At the end of the show, the best of all would be honoured with the awards in various categories. PheasantTech, with its highly advanced technology and automation, managed to emerge as the best Forex CRM provider out of many more Forex CRM providers.

PheasantTech was born to revolutionize the Forex Industry by imparting quality solutions to new age brokers who crave to enter the game of retail FX Trading with fair and direct access to OTC markets. PheasantTech infuses a hybrid culture that creates a perfect combination of experience and a high sense of imagination. With deep roots in the Forex industry, our offerings range from Forex compliance services, forex brokerage solutions, and Forex Technology solutions.

We know the value of our Client's time; we have the deployment process as sleek as 92 working hours only. Once we have the required detail, we configure the branded and highly reliable CRM within no time. The Forex CRM we offer comes with guaranteed safety, security, and protection of your data. It is a one-stop solution for all your back office needs with the latest technologies.

Become the Golden Pheasant of the forex trading industry with the PheasantTech full-fledge FX solutions with enhanced forex trading technology in this digital era. Start forex brokerage with comprehensive forex turnkey solutions, from company formation to license, liquidity providers, and payment solutions.

PheasantTech offers you comprehensive forex technology solutions from company formation and obtaining a forex broker license to forex web development, trader's room development, MT4 White Label, and forex CRM integration.
