

Pre-4/20 Trimming Party on Saturday, 4/16

The first-ever bud trimming experience in New York City.

New York City, New York Apr 7, 2022 ([Issuewire.com](https://www.issuewire.com)) - The Cola Co-Op is hosting the first-ever public trimming experience and party! The event begins at 7:30 pm on Saturday, April 16th, at a private full-floor event space with a huge outdoor terrace in Midtown Manhattan.

For first-time attendees, you can expect a half-ounce of premium untrimmed indoor buds that are harvested at the beginning of April at the perfect time for your handiwork. The strains for this event are [Blueberry Muffin](#) and [Vanilla Frosting](#), both grown from Humboldt Seed Company clones.

All attendees will be provided with a trimming kit, which includes scissors, gloves, a storage jar, and about 14 grams of untrimmed buds. Helpers from the Cola Co-op team will educate you along the way. Everything guests trim is theirs to bring home with them.

The trimming event continues with infused & non-infused appetizers from experienced cannabis chef [Shawn Hamilton](#). We have an open kitchen on-site for you to watch & interact with Chef Hamilton during the experience. You can expect a bar stocked with infused and non-infused mocktails and soft drinks. There will also be a rolling station, candy bar, marketplace, and a DJ.

Guests can imbibe at the outdoor rooftop terrace to enjoy their freshly trimmed flowers.

Along with trimming and dining experiences, The Cola Co-op will announce its next event and showcase experiences that are designed around the herb. Through 2022, you can expect fun scavenger hunts and walking tours, along with a series of themed infused parties in NYC.

In accordance with NY state law, all products are provided complimentary to event ticket holders.

About The Cola Co-Op

The Cola Co-Op is a cooperative of growers, producers, and event planners who are bringing high-quality herbs and experiences to New York City. Our community is welcoming, inclusive, and accessible to everyone.
