Katra, Jammu and Kashmir Apr 21, 2022 ([IssueWire.com](https://www.IssueWire.com)) - Rehan Katrawale is an Indian Author, Writer, Poet, and Artist from Katra, Jammu, and Kashmir. He is known for his love poetries. Astrabhuji: Secrets of Drajjal was his recently published book. Five years back Rehan founded an organization named "TBF Pictures". During his senior secondary days, he came up with the idea of establishing an organization for video and filmmaking purposes. He then founded TBF. TBF stands for Team

Bestfriends because Rehan with a few of his best friends started the company or mini production house near Trikuta Hills, Mata Vaishno Devi Katra.

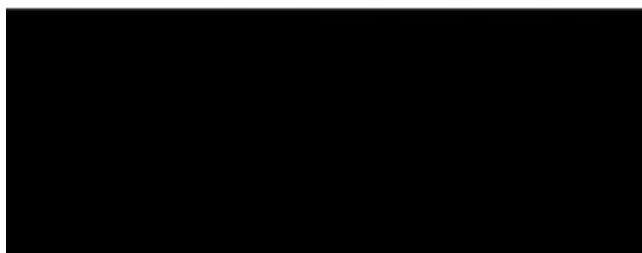

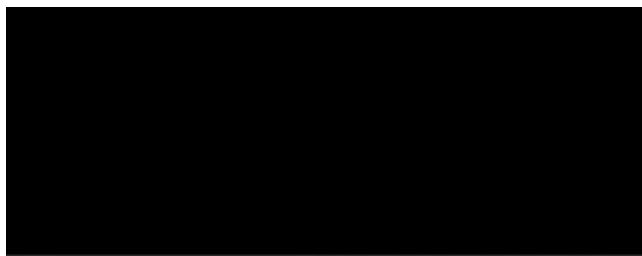

Rehan has always been a creative person yet he's more cryptic. He got into writing when he was just 14 years old. He along with his team started performing arts and theatre too. He's referred to as 'Katra Ka Shayar' and talking about his poetries, there's a pain in every phrase, in every word.

He was once asked why he got himself into poetry? He said "I've never wanted to become a shayar. Actually, I'm afraid of becoming a shayar because they are the most complicated creatures on the planet. I don't want to go through that pain and agony"

But eventually, he became a poet. It is said Rehan was in love with a girl from his batch but nobody really knows the real story. Rehan claims to be a one-sided lover. When asked if he still loves her? "She was the one who taught me the true meaning of love. I've so much love and respect for her and yes I love her and she will be in my prayers forever" he replied.

Now Rehan and TBF planning to bring something unexceptional. The most loved creations of TBF are; Dr.Dex, Paschataap and Umaala. Nobody knows what they are going to do this time.
