

Rosemary Andrianakos, DO, a Family Physician with Kalo Health

Get to know Family Physician Dr. Rosemary Andrianakos, who serves patients in Denver, Colorado.

New York City, New York Apr 7, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Andrianakos is a trusted family physician who practices a full scope of medical services and osteopathic manipulation as part of the team of doctors at Kalo Health in Denver, Colorado. In combination with her family medicine expertise, she applies her osteopathic skills to provide a comprehensive, integrative approach to treating patients.

With a broad educational background, she earned her Doctor of Osteopathic Medicine degree from the Rocky Vista University College of Osteopathic Medicine and completed her residency in family medicine at the Augusta University Medical College of Georgia. Her professional training includes medical research at the University of Southern California Keck School of Medicine at the Zilkha Neurogenetic Institute, where she conducted research in regenerative medicine and published articles regarding stem cells.

Passionate about her profession, the doctor is board-certified in family medicine and osteopathic medicine by the American Osteopathic Board of Family Physicians, which is an organization that provides board certification to qualified osteopathic physicians who specialize in delivering comprehensive primary care for patients of all ages, genders, and addressing all parts of the body.

On a professional level, Dr. Andrianakos is an active member of the Student Osteopathic Medical Association, the American Medical Association, and the Colorado Medical Society. She is also published in several medical journals for her stem cell research.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
