

Rumtra to join Newchip's Pre-Seed April 2022 Accelerator cohort

Waltham, Massachusetts Apr 15, 2022 ([IssueWire.com](https://www.issuewire.com)) - Rumtra, a Fintech startup offering investment solutions to generate higher and sustainable financial returns, officially joins Newchip, a global seed accelerator based in Austin, Texas, for its April 2022 cohort. Newchip place careful consideration into accepting into their global accelerator program. Its admissions team reviews more than 1400+ applications for each cohort with less than a 10% acceptance rate. Rumtra team is very enthusiastic about this new development.

Newchip Accelerator provides unmatched skills, tools, and a team of world-class entrepreneurs, mentors, and alumni to help founders build and scale their businesses. Newchip's three core programs comprise the Newchip Accelerator: Bootcamp, Pre-Seed, Seed & Series A. Startups apply and are accepted into an appropriate Accelerator program based on the stage, traction, and trajectory of their business. The company has raised over \$450M+ in funding for firms globally guiding them to over 35 exits and 10 IPOs in recent years.

Rumtra is a fintech startup that is disrupting the traditional investment management models through its secure, efficient, and scalable solutions that are powered by advanced machine learning models built on thousands of well-researched fundamental and quant factors. Rumtra aims to generate outperforming and sustainable returns while optimizing risks and lowering the overall cost.
