

SameMovie Rolls Out Discovery+ Video Downloader

Brighton, New York Apr 13, 2022 ([Issuewire.com](https://www.issuewire.com)) - On April 4th, SameMovie company, a professional streaming video downloader solution provider, has officially released a brand-new streaming video downloading tool, that is DiscoveryPlus Video Downloader to help Discovery+ users download Discovery Plus movies and shows for offline listening on any device anytime.

SameMovie DiscoveryPlus Video Downloader is clearly one of the better tools of its kind as it offers the simplest way to download videos from Discovery+. With SameMovie, you can download 1080P Discovery Plus videos in MP4 or MKV format. Both formats are the most widely used and supported video containers, meaning that you can play the downloaded videos smoothly on your phone, tablet, PC, smart TV, and other devices. What's more, it also supports keeping multilingual audio tracks and subtitles.

The most eye-catching feature of this tool is that it is compatible with both Windows and Mac computers. This largely breaks the limits set by Discovery+ that you can only watch those content offline on selected devices. This all-in-one video downloader is capable of fulfilling everyone's needs for streaming Discovery+ videos with freedom. All you need to do is add the episodes you want to the download queue and SameMovie will start downloading your videos in quick batches.

To be specific, SameMovie DiscoveryPlus Video Downloader is available on Windows 7/8/10/11 computers and Mac OS X 10.11-12 computers. Now you can go to SameMovie's official website to

download it for a try.

Key Features of DiscoveryPlus Video Downloader:

- Get Discovery Plus videos downloaded in 1080P;
- Save Discovery Plus videos in MP4/MKV format;
- Preserve multi-language audios and subtitles;
- Intelligent search function & batch download mode;
- A handy and intuitive interface without no plugins;
