

Sheryl O'Connell, APRN, an Advanced Practice Registered Nurse with Millennium Physician Group

Get to know Advanced Practice Registered Nurse, Sheryl O'Connell, who serves patients in Ocala, Florida.

New York City, New York Apr 19, 2022 ([IssueWire.com](https://www.issuewire.com)) - Sheryl is an advanced practice registered nurse specializing in internal medicine currently affiliated with Millennium Physician Group in Ocala, Florida. Her clinical interests include wellness and prevention.

Millennium Physician Group is one of the largest comprehensive independent physician groups with more than 550 healthcare providers located throughout Florida. Its mission is to connect the best doctors, services, and quality.

To begin her career, Sheryl earned her Master of Science in Nursing degree from Kaplan University in Phoenix, Arizona.

On a more personal note, she attributes her success to loving what she does.

An Advanced Practice Registered Nurse (APRN) is a nurse who has obtained at least a master's degree in nursing. APRNs may work across various healthcare settings, including hospitals, ambulatory clinics or long-term care facilities. They provide medical support and preventative care to patients, along with additional responsibilities of coordinating patient care and using specialized knowledge to manage complex patient conditions. APRNs can diagnose and treat as well as order and interpret tests and prescribe medications.
