

Steven Solis, DDS, a Pediatric Dentist with Dentistry Just for Kids

Get to know Pediatric Dentist Dr. Steven Solis, who serves patients in Corpus Christi, Texas.

New York City, New York Apr 27, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Solis is a well-versed pediatric dentist who welcomes patients at Dentistry Just for Kids in Corpus Christi, Texas. He started as a patient at the office in 1996. Throughout college, he worked at the office during his summers, which led to the development of a deep love for the office, its staff, and the patients. Upon the completion of his formal training as a pediatric dentist, he joined Dentistry Just for Kids to work alongside his mentor, Dr. Nolfi.

With over 5 years of experience in pediatric dentistry, he specializes in fillings, stainless steel crowns, pulpotomies, nerve treatment, sedation dentistry, laser frenectomy, extractions, parent education, fluoride, cleanings, and examinations, radiographs, and x-rays.

Born and raised in Corpus Christi, Texas, Dr. Solis graduated from the Southwestern University in Georgetown, Texas, where he received his Bachelor of Science in Chemistry in 2011. He then graduated with his Doctor of Dental Surgery degree from the Texas A&M College of Dentistry in Dallas, Texas, in 2015. He completed an Advanced Education in General Dentistry residency through the New York University-Lutheran system, as well as a two-year residency in pediatric dentistry at the Laredo Branch of the University of Texas Health-San Antonio.

An authority in his field, the doctor is board-certified by the American Board of Pediatric Dentistry, whose mission is to certify pediatric dentists through a voluntary examination process that continuously validates their knowledge, skills, and experience for delivering quality patient outcomes.

Continuously advancing his efforts, he is an active member of the Texas Academy of Pediatric Dentistry, the American Academy of Pediatric Dentistry, the Nueces District Valley Dental Society, the American Dental Association, and the American Board of General Dentistry, and the Academy of General Dentistry.

Pediatric dentistry encompasses many aspects of general dentistry and specialist skills in the care of infants, children, and adolescents. As a pediatric dentist, Dr. Steven Solis takes care of a child's teeth, gums and mouth. Children can face dental problems like tooth decay and gum disease without proper care. Pediatric dentists can provide dental examinations, give cleanings and treatments, repair cavities and dental injuries like fractured or knocked-out teeth, diagnose oral conditions, and more.

Outside his professional commitments, Dr. Solis enjoys cycling, scoping out local eateries, traveling for continuing education courses, and anything in the realm of superheroes. He is fluent in both English and Spanish.
