

Syed I. Mobin, MD, FCCP, FAASM, a Pulmonologist with Central Florida Pulmonary Group, PA

Get to know Pulmonologist Dr. Syed I. Mobin, who serves patients in Orlando, Florida.

New York City, New York Apr 6, 2022 ([IssueWire.com](https://www.issuewire.com)) - A seasoned pulmonologist, Dr. Mobin is in practice at Central Florida Pulmonary Group, PA, serving patients in Orlando, Florida. He specializes in pulmonary hypertension, sleep disorders, narcolepsy, sleep apnea, insomnia, asthma, COPD, sarcoidosis, interstitial lung disease, and pulmonary fibrosis.

Central Florida Pulmonary Group was founded in 1982 and has been an impressive strength throughout the Central Florida community, offering the highest level of medical expertise. Specialized care and personal attention is their hallmark so that, from the time patients step through their doors, it shows – in their service and their capabilities. They are comprised of an expert team of physicians, supported by a professional staff, and friendly, comfortable surroundings.

A native of Pakistan, Dr. Mobin graduated with his medical degree and completed his internship at the Dow Medical College. Upon relocating to the United States, he completed his residency in internal medicine at the Oakwood Hospital, where he served as Chief Resident. He then went on to complete his fellowship in pulmonary disease at the Mayo Clinic in Jacksonville, and his fellowship in critical care medicine at the Mayo Clinic in Rochester.

With an unwavering commitment to his specialty, the doctor is board-certified in pulmonary disease, critical care medicine, and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Maintaining fellowship status, he is a Fellow of the American College of Chest Physicians (FCCP), and a Fellow of the American Academy of Sleep Medicine (FAASM).

As for his academic appointment, Dr. Mobin serves as an Assistant Professor at the University of Central Florida School of Medicine.

Pulmonology is a medical specialty that deals with diseases involving the respiratory tract. A pulmonologist is an internal medicine physician who specializes in preventing, diagnosing, and treating conditions and diseases that affect the lungs, bronchial tubes, and the respiratory system, including the nose, pharynx, and throat.

Recognized as a Vitals Preferred Provider, Dr. Mobin has been a recipient of the On-Time Doctor Award in 2016.
