PICKLEBALL EXPO 2022

West Palm Beach, Florida

West Palm Beach, Florida Apr 19, 2022 (Issuewire.com) - The [2022 Pickleball Expo & Tournament](#) is the nation's first-ever pickleball expo and is scheduled for November 19-20, 2022 at the West Palm Beach Expo Center in West Palm Beach, FL.

The show comes at a time when pickleball has quickly become one of the most popular sports in the world and continues to grow at an unheralded pace. Thousands of attendees are expected to saunter through hundreds of exhibitors as well watching the indoor on-site pickleball tournament directly on the floor of the show.

Families and individuals who attend will range from the beginner who will want to know everything they can about pickleball, to the intermediate and advanced/pro players who can compete in the on-site tournament while browsing through the numerous exhibits throughout the show.

“There will be something for everyone at the West Palm Beach Pickleball Expo,” exclaimed George Domati, spokesperson for the exposition. “Everything from equipment and instruction to upcoming pickleball restaurants and communities. In the past 5 years, the sport has grown exponentially to become a new industry with millions of active players. It's now even being considered an Olympic sport. This is the time for pickleball to officially make its national debut.”

Specifically, the show will include exhibits for all types of new equipment, sportswear, footwear, pickleball clubs & courts, pickleball residential communities, vacations, tournaments, court builders, and even upcoming pickleball restaurants. There will be areas for instruction and demonstrations with special exhibits just for kids and families starting out.
