

The Royal convent School Ranks Amongst Top 10 Schools in Punjab Based on Students' Academic Performance

The Royal Convent School is the best co-educational school in Nabha with having strong belief to raise the basic capabilities like purpose, belief, and healthy mindset of every child.

Moga, Punjab Apr 16, 2022 ([Issuewire.com](https://www.issuewire.com)) - • The Royal Convent School in Moga recently ranked among the top 50 schools in India, based on the students. • The main 5 factors that played a major role in this success are as follows:

- 1) The School's matchless student-teacher ratio in online and also in offline classes. They ensured that one thing is the students should learn well even during the pandemic years.
- 2) The Student-centric approach is seen in skilled and hard-working teachers.
- 3) We are provided some unique teachers' training programs in which they develop the right skills in students.
- 4) A special skills-building-focused curriculum is combined with daily competency-based programs.
- 5) When parents have full trust in school then they give their right to the school of decision making about their children. • You must look At the Royal Convent School Initiatives:

The School's achievements are the outcome of the efforts of all staff members, students, and parents, and trained also the hardworking leadership team of the Founders or Head of Academics & also Teachers Training.

Skills growth is the main factor part of The School's thinking-led curriculum. The School is being one of the top schools in Nabha. The kids need to develop their strong life skills at maximum stages of life, as they progress their carrier in the digital world. Developing 21st-centuries skills in students not only prepares them for academic and professional success. But also they should prepare for the daily challenges of life.

Talking about educational Initiatives & Assessment: the Royal Convent School is placed at Dhurkot Road at Nihal Singh Wala in District. Moga. Punjab (India). After the formation of Moga as a district, our school is the second school that got affiliated with the C.B.S.E. Board from New Delhi in the year of 2003. From then to now we are providing students the high-quality studies up to 12th standards. In which the streams are Science, Commerce, and Arts Humanities groups. • They upgrade the skills and knowledge of kids in subjects like mathematics, science, Social studies, and other languages (Hindi & English). The school's rankings are overall at regional, national & international levels based on student performance.

Besides other things and assets, we develop the other skills in students that will help in the student's academic performances in science, math & English. So we are improving the skills of understanding and grasping the knowledge very fastly. Also they will be able to solve some complex situations in life. Our School's Profile: The Royal Convent School is the best co-educational school in Nabha with having strong belief to raise the basic capabilities like purpose, belief, and a healthy mindset of every child. The best things are infrastructure, facilities, a fully stocked library, big playgrounds, a science lab, a languages lab, a curriculum, and also in faculty that are all carefully combined to work with our mission. Our school is awarded several prestigious awards.
