

This CEO needs your votes to help her in the Ms. Health and Fitness Competition

More than just winning, Stephanie Whitmoyer is on a mission to empower teens and other women with her activewear line, RAGG DOLL.

Warrenton, Virginia Apr 26, 2022 ([IssueWire.com](https://www.IssueWire.com)) - Stephanie Whitmoyer, the CEO of STEFFII INC is on a mission to empower teens and women with her Eco-Friendly Activewear Line, RAGG DOLL. Whitmoyer says "We strongly believe there is a direct correlation between fashion and self-esteem, which is why we chose to develop an activewear collection that is not only sustainable but has the meaning".

So why does she need your help? On April 26, 2022, Whitmoyer entered the Ms. Health and Fitness Competition, and she needs your votes to help her win the Cover of her Magazine and \$20k to bring awareness to the mental health of teens and women.

As part of the competition, participants had to answer 3 questions. Here is a copy straight from her competition profile page:

WHAT WOULD YOU RECOMMEND TO OTHERS WHO WANT TO BE FIT AND HEALTHY? *I believe your reason for making a change needs to have meaning behind it; strong enough that your conviction will take over when you feel weak.*

HOW DOES FITNESS POSITIVELY INFLUENCE YOUR LIFE? *I was diagnosed with MS in 2013. There have been several times since then that I've lost the ability to walk. Now I treat walking like a gift. Having the ability to get on the treadmill or walk a beautiful path has played a big part in both my mind and body.*

IF YOU WERE THE NEXT MS HEALTH AND FITNESS, WHAT WOULD YOU DO WITH \$20,000? *In 2021 I launched STEFFII, a women's apparel company. The label is deeply rooted in empowering teens and women. One of the collections is a sustainable high-performance activewear line; RAGG DOLL. Most refer to the term "Rag Doll" as something negative. I'm choosing to use it as something beautiful. If I'm blessed to be the next Ms. Health & Fitness, I would use the platform & money to build upon the empowering message by being able to fully develop the inspiring line.*

Our hope is for those who wear the RAGG DOLL label, that they will feel powerful no matter who they are, where they are from or what insecurities they may have. We are a huge proponent of celebrating authenticity, and the blending of one's personal style with a healthy mind and body.

Five percent of all sales will be donated to the GIRLS INC. FOUNDATION.
